FLOW MN LS WOMAN
1916290

Flow MN LS is a soft and functional jersey that works both as a baselayer and as a standalone garment for running, training, power walking and similar activities. The polyester and elastane blend has a subtly peached surface for a soft feel, and the fit is slightly more relaxed than traditional tight baselayers. Wear it on its own or under a jacket or midlayer in colder conditions.

- Mock neck
- Regular fit

- 88% Recycled polyester
- 12% Elastane
