EXTEND 2.0 FULL ZIP JACKET WOMAN

C17401

Extend 2.0 Full Zip Jacket is a technical mid-layer jacket designed for clubs and teams that train hard, compete even harder, and demand both performance and style. Made from a stretchy, moisture-wicking fabric, it delivers exceptional comfort and freedom of movement during warm-ups, light training sessions, travel, and team appearances. The fabric's double-sided textured construction gives the jacket a modern, professional look, while concealed zippered side pockets and a reverse front zipper create a clean, streamlined design with ample space for club crests and sponsor logos.
