EXTEND 2.0 JERSEY WOMAN
C17407

xtend 2.0 Jersey is a premium jersey, designed for high-performance athletes. Made from lightweight jacquard fabric, it offers exceptional moisture-wicking to keep you dry and comfortable during intense activity. Taped details at the sleeves, neck, and hem provide a clean, technical finish, while side slits enhance an extra design feature as well as freedom of movement. Designed for professional team level, it's perfect as a match or training jersey, ensuring top performance.

- Lightweight jaquard fabric with great moisture transport
- Recycled polyester
- Taped details at sleeves, neck and hem
- Slit detail at sides
- Designed for proffessional team level

• 100% Recycled polyester
