TURE WATER BOTTLE, BROWN, PANTONE 7596C

5018646

Ture is the perfect water bottle for any moment you're on the go – from the beach, to the gym, in the car, to the office, or on a walk. Made from rPET, recycled PET, with a cap made from recycled PP or certified bamboo. BPA-free. The rounded design of the cap and the discreet stripes on the body of the bottle give it a modern and functional style. A practical loop in TPR (thermoplastic rubber) makes it easy to carry and can be detached when needed. The bottle is available in several nature-inspired colors and complements Tova and Ted for a cohesive set. Hand wash. Volume: 600 ml. Designed by Studio Sagaform.
