TRINE THERMAL JUG, BORDEAUX, PANTONE 7624C

5018695

Trine is the thermos jug for those who value timeless design combined with practical function. With a capacity of 1.5 liters, it is perfect for larger gatherings and long moments of sharing. Trine features double-wall vacuum insulation and a thin copper layer that keeps drinks hot for up to 12 hours or cold for 24 hours. The clever pushlock allows spill-free serving, while the twist-off lid is easy to remove. The jug is dishwasher safe and available in several colors. Made from recycled stainless steel with a matte, powder-coated surface, it offers durability and a comfortable grip. Capacity: 1.5 liters. Design by Studio Sagaform. Delivered in a classic Sagaform box.

- Recycled stainless steel with copper coating, double-walled and powder-coated surface
