TOM WATER BOTTLE, PINK, PANTONE 489C

5018749

Tom is a water bottle with a soft feel and a minimalist shape. Its smooth, matte surface with a subtle frosted finish makes it comfortable to hold and gives a balanced, harmonious look. It is the “companion” to the Ture bottle, but in a fully smooth, simplified version. Perfect for everyday use, workouts, or on the go. Available in several natural colour options and it pairs beautifully with other products from the Moments To Go collection. Hand wash recommended. Food safe.
