TED THERMAL YOGHURT MUG WITH SPOON, BEIGE PANTONE WARM GRAY 3C

5018791

The Ted yoghurt mug is a smart companion from the Moments To Go collection, perfect for taking yoghurt, smoothies or breakfast with you on the go. It is also ideal for carrying hot meals. The double-wall, vacuum-insulated design keeps contents cold for up to 8 hours or hot for up to 4 hours, while the ceramic interior provides a pleasant eating experience. The mug features a practical top compartment for granola or toppings, as well as a cleverly attached spoon for easy use. Its stylish design reflects the distinctive look of the Ted collection, making the mug equally practical for commuting, travelling or taking to the gym. Available in several colours, it can be perfectly combined with other products from the Moments To Go range. Capacity: 320 ml. Material: Recycled stainless steel. Design: Studio Sagaform. Presented in a classic gift box. Dishwasher safe. Food safe.
