TEKLA THERMAL BOTTLE, GOLD CHROME

5018829

Tekla is a modern and functional thermal bottle designed for life on the go – from busy days in the city to the gym and everything in between. The bottle is made from recycled stainless steel with double-wall vacuum insulation, a rounded PP lid and a thin copper layer that helps maintain the temperature of your drink. It keeps beverages hot for up to 12 hours or cold for up to 24 hours. The durable powder-coated surface provides a matte finish and a comfortable, secure grip. The thermal bottle is available in several stylish colours and features a removable straw for flexible use. Capacity: 500 ml. Design: Studio Sagaform. Dishwasher safe. Presented in a classic Sagaform box.
