TOVA CAR MUG GOLD
5018830

The Tova thermal mug is a future classic designed for life on the go. With its double-wall, vacuum-insulated construction and ceramic interior, it keeps drinks hot for up to 4 hours or cold for up to 8 hours. The 360-degree drinking opening provides an optimal and natural drinking experience from any side of the mug. Its leak-proof design helps prevent spills, while the mug is easy to take apart and clean. Tova is made from recycled steel with a PP lid and features Sagaform's signature stripes. It is available in several nature-inspired colours. Capacity: 320 ml. Design: Studio Sagaform. Presented in a classic gift box. Dishwasher safe. Food safe.
