5017880

CATEGORY

CERAMIC MUGS

CATEGORY

-

DESCRIPTION:

Sold in a 4-pack, this espresso mug with its characteristic relief pattern is part of the Coffee & More series created by Sagaform in collaboration with designer Margot Marolo. The design of the series is a flirtation with the direct, playful, straight-talking language of the 1970s. The series comprises various pieces, patterns and colours and looks at its best with a wonderful mixture of everything. Microwave and dishwasher safe.
