SHOPPING BAGS

#### CATEGORY

#### DESCRIPTION:

Item Number:  
411140

Product Fabrics:  
80% recycled cotton  
20% polyester

#### Description:

Cottonbags of recycled cotton is a great alternativ. It saves the eath ´s resurchers as it reduces the need for newly producedd cotton an we can take care of what we already have.

This bag is woven from recycled cottonwiers and has received a little extra polyesterwiers added in due to the recycled cottonwiers are a little bit weaker, this make the bag strong and durable.

Why not put a picture or a logo on your bag - we ´ll help you with the process!

The bag is approved as Global Recycle Standard
