Description:

This egg cup with its characteristic relief pattern has been specially designed to work equally well as a tealight holder. The product is part of the Coffee & More series created by Sagaform in collaboration with designer Margot Barolo. The design is a flirtation with the direct, playful, straight-talking language of the 1970s. The series comprises various pieces, patterns and colours and looks at its best in a wonderful mixture of everything. Microwave and dishwasher safe.
