DESCRIPTION:

Heavily padded jacket padded jacket with fixed hood, fully lined with sewn wide channels. Made of certified recycled polyester that is wind and water resistant (WP5000/MVP3000). The jacket is post-processed with Bionic Finish Eco, which also provides a water-repellent effect. Visible full zipper that goes up the collar and front pockets with zippers and pocket flaps. 3 inner pockets, one of which has a zipper. Hidden strong elastic around the hood opening, hem and at the cuffs. Slightly curved model.
