DESCRIPTION:

Sagaform holds a deep affection for active outdoor living, and with the City Cooler Backpack, we aim to inspire more people to step outdoors. The City Cooler Backpack is luxurious and sporty, featuring outer material in black rPET. In addition to its phenomenal cooling function, the backpack boasts many fine details that make it practical for outdoor adventures. It includes two outer pockets, mesh pockets on the sides, a carabiner hook for attaching a mug or other items, internal tension straps, reinforced back panel, and adjustable shoulder straps. The bag's zippers and ribbed bands add a stylish contrast color. One thing is certain - carrying your chilled items has never been easier! Holds 21 liters. Designed by Studio Sagaform.
