DESCRIPTION:

Meet Loke in asphalt gray, the travel mug we love for its variety, color options, and construction. Loke is part of a series of products whose main purpose is to simplify everyday life. With a capacity of 24 cl, Loke is perfect to place under the coffee machine for refills when you're on the go. The mug has double walls to keep the drink warm longer. But best of all is the smart locking feature that guarantees no leaks. With Loke, you can enjoy your hot drink wherever you are without worrying about spills. Packaged in a fine Sagaform box.
