DESCRIPTION:

Introducing the Boardslide jacket, a softshell designed with 5 layers of fabric for exceptional performance. The jacket features a functional membrane combined with warming fleece and finished with a quilted lining made from recycled polyester, ensuring warmth and protection. With a regular fit and adjustable cuffs and hem, it allows for a customized fit. Three easily accessible zippered pockets provide ample storage space, and the fixed hood, adjustable with toggles, offers versatility and protection. Perfect for any adventure, the Boardslide jacket combines flexible protection with style.

Packaged in biodegradable, compostable packaging.

Wash separately inside out. Do not use fabric softeners.
