For ByOn decorations are so much more than just beautification. They can be filled with heart, humour, reason and at times even be unstoppable home enrichers. Through a mosaic of shapes, expressions and purposes, we would like to give you a glimpse of how you can gradually build up a truly extraordinary feeling of well-being. A home flourishing with style, prosperity and personality. If we are we obsessed with the female body? YES. These small candle holders belong to the Nature series and celebrate the female body. The candle holders are handmade and unique and they can therefore have varying looks. Just like the female body. Available in dark brown and beige and will appear as great on its own as in a group.
