## DESCRIPTION:

Padded wind- and waterproof shell jacket with taped seams. Two-way zipper at front with flap to prevent wind draft as well as water leakage, press-stud closure. Double breast pockets, two with flap and Velcro closure and two with waterproof zippers. Loop for attaching ID-card on the left side. Side pockets with zipper and fleece lining. Three spacious inner pockets, two with zippers. Adjustable hood with drawstring, detachable. Adjustable cuffs with Velcro, and adjustable waist with drawstring. Lining can be opened to facilitate printing.

Certification: EN 343 3/1
