DESCRIPTION:

Ella Hamam is a timeless towel in thin woven organic cotton. All towels are embellished with Sagaform's classic and characteristic stripes in various patterns and in three colour combinations: green, blue and beige. Fringed ends. GOTS certified. Ella is perfect after a swim as the towel dries quickly and gives a thin lovely feeling wrapped around the body. We also like to use Ella as a tablecloth, picnic blanket or as an interior detail thrown on the edge of a bed.
