THERMAL MUG

CATEGORY

-

DESCRIPTION:

Product Name:

Loke travel mug with locking function small

Product Number:

5018362

Product Fabrics:

Double-walled stainless steel/plastic

Description:

Loke in withe with a black splash-pattern, a travel mug that we both love for its variety, color choice and construction. A series of products whose purpose is to simplify the everyday. Loke holds 24 cl and can easily be placed under the coffee machine for a refill. The mug has double walls to keep drink warm longer. But the best of it all, there is no leakage thanks to a smart locking function.
