DESCRIPTION:

Product Name:

Nature carafe with cork stopper

Product Number:

5018326

Product Fabrics:

Mouth-blown glass/cork

Description:

Nature wine carafe with cork lid combines sustainability, flowing shapes and mystery. The dark brown cork ball creates character and makes us think of bottles which have traveled along the sea bed containing beautiful little messages. In the present the brown colour signals luxury and the cork sustainability. The shape of the carafe is wavy and harmonizes with the glass series Saga. The carafe is available in two sizes and shapes.
