Description:

Dante cork trivet is a product which is as decorative as it is practical. It protects the table against hot pots and ovenware. Cork is a material which has a long history within kitchen and decorating, something we have embraced and refined into the future. Cork is a sustainable material, organic and biologically degradable. It is also heat resistant and impervious to liquid. The dark brown colour of the trivet has a decorative stripe making it feel classic in a modern way with a feeling of beauty. Available in 2-pack.
