

# NILS STEEL BOTTLE RUBBER FINISH BLUE, 50 CL 24H/12 H

5018262

sagaform

Sagaform's incredibly popular steel bottle now comes with an on-trend matt rubber finish. The bottle is twin-walled, which means it will keep your drink ice-cold for 24 hours or hot for 12 hours. Invest in a high quality, durable water bottle for yourself and for the sake of the environment. Capacity 50 cl.

Double-wall. Stainless steel.
