

## — ABOUT THE BRAND —

Cottover is a brand that emphasizes ecology and high quality, offering a wide range of environmentally friendly clothing. Our products are made from organic cotton and have numerous prestigious certifications, such as GOTS, Fairtrade, and Nordic Swan Label. This makes Cottover the ideal choice for individuals and companies that care about sustainable development and want to ensure their clothing is produced responsibly.

Cottover clothing is not only eco-friendly but also comfortable and modern. Our collections are colorful and stylish, making them perfect for everyday use and special occasions. We continually work on raising standards at every stage of the product life cycle, making our brand unique in the market.

Our range includes bestsellers such as eco-friendly t-shirts and hoodies that combine style, comfort, and environmental care. Each of these products is the perfect choice for those who value quality and ecology.
