

— ABOUT THE BRAND —

Printer Prime is a clothing collection that combines high quality with modern design. Our products are made from the best fabrics with a high gram weight, ensuring durability and comfort. The Prime collection is designed circularly to significantly reduce its environmental impact.

Our clothes are easy to care for – they can be washed at 60°C and tumble-dried. Additionally, the Prime collection has been tested for industrial washing according to the EN ISO 15797 standard. This makes our products ideal for companies that need durable and hygienic workwear.

Among our bestsellers, you'll find durable t-shirts and robust hoodies, perfect for intensive use. Each of these products combines quality, comfort, and environmental care.
