

## — ABOUT THE BRAND —

Projob is innovative workwear that emphasizes functionality, comfort, and ergonomics. Our products are made from the most durable materials available, meticulously tested for strength. Projob is the perfect choice for companies needing reliable and durable protective clothing.

The Projob Prio line is a simplified concept of protective clothing that includes a basic range in the most popular colors. Our products ensure safety and comfort in any working conditions, making them ideal for workers in various industries.

Among our bestsellers, you'll find durable jackets and practical work pants that provide maximum protection and comfort. Each of these products is designed with the safety and comfort of workers in mind.
